Subject: Senator Casey's Summer Internship Program

Good morning,

My name is Isabel Pérez, and I am the Intern Coordinator for U.S. Senator Bob Casey. I am reaching out regarding our internship programs, both in his state offices throughout Pennsylvania and in Washington, DC.

I wanted to connect to let you know that applications are now open for Summer 2024, available on our website at <https://www.casey.senate.gov/request/internships>. The application closes on February 25th.

Internships are paid \$16/hour and intended to be full time for each six-week session.

I hope you encourage students from your program to consider internship opportunities with our office, particularly your students with ties to Pennsylvania. Interns in our offices receive a firsthand look at how policy is formed and implemented as well as how Senate offices assist and connect with constituents. These experiences are a great introduction to public service and the work of the United States Senate.

Please let me know if you have any thoughts or questions about our program—you can reach me at Isabel_Perez@casey.senate.gov.

Sincerely,

Isabel Pérez (she/her)
